My name is Mary Anderson, deacon at Westminster Presbyterian Church, elected to serve and minister to those in need in our congregation.

I joined Westminster Presbyterian in 2002 and currently serve on the Outreach Committee. I work as the Office Manager at Stan Graber Financial and I am very blessed to have a strong Christian environment to work in. I have lived in South Dakota nearly all my life and graduated from Washington High School. I continued my education at Augustana and the University of Sioux Falls taking night courses while working at what was then known as Northwestern Bell. In 1991 my daughter Shanna was born and I was blessed to be a stay at home mom until she started school. Shanna is now a graduate of Lincoln High School and currently lives and works here in Sioux Falls. My mother, one sister and her family, one brother and his family also live in or near Sioux Falls with one sister in Spearfish.

I enjoy eating out with friends, Scrabble, Pinochle, golf, walking and just started weight training.

Please feel free to email me with any questions or concerns that you may have.
