My name is Mary Korkow and I have been a member at Westminster for 10 years, an Elder 3 years. I was honored when the nominating committee asked if I'd consider running for the position of Elder. I felt it was something I was called to do and hoped to make a difference. I feel Westminster is constantly growing and changing -- all in a positive direction. We have such talented, capable and dedicated people of staff. All the committees have great leadership and my hope is to continue our work to help and support our active church family. I also like to see the young people and families taking leadership roles and to be involved with the church. My hobbies include: cooking, sewing, crafts, reading and working on all kinds of puzzles. I have one son, Tony, who is single and lives in Madison, WI. He works for Networked Insights and has been in Madison for 12 years. My daughter, Sarah and her husband, Chris live in Woodbury, MN. They have a daughter, Brynn who is 4 years old, and twins, Brooke and Braden who are 9 months old. Chris works for Nestles and Sarah is a Dean at the Irondale High School. I look at life as a journey --- full of experiences --- keeping our focus on what is truly God's purpose for our lives.
