Name: MAYNARD ISAACSON

Hobbies: Most anything to do with sports. (My TV only gets SPORTS channels). Also enjoy hunting & golf.

How long have you been an Elder? Ordained on January 6, 1991.

Tell about your family: My wife (Cherry Ann); two sons (Steve & Tom) and five grandchildren (Kelsey, Kourtney, Grace....Taylor & Alexis). Steve is the Business Manager for AAA Collections in Sioux Falls and Tom is a Site Manager for Delta Airlines (currently stationed in Singapore). Tom commutes bi-weekly to his family residing here in Sioux Falls. Steve's children are in the Washington School District (Kelsey will be starting her freshmen year at SDSU) and Tom's children are in the Roosevelt District.

Tell why you choose to become an Elder: In my own small way, help to make a positive difference in the life of the members of Westminster and to serve the Lord to the best of my ability.

Anything else you'd like to tell about yourself: Nothing that I would want published! J Really, I do try to find a wee bit of humor in just about anything in my everyday life (this does come back to "haunt" me at times)! I CAN be serious when necessary (not for very long though) and I cherish the wonderful relationships Cherry Ann & I have developed at Westminster.

How long have you been a member of Westminster? December 1, 1985.

What are your hopes and dreams for Westminster: Continue the membership growth. Pay off the remaining debt on our sanctuary expansion and add a Christian Education wing in the near future.
